INTRODUCTION

Univac Group India is one of the leading manufacturer - Exporter in the hair extension Industry, established in 1997 with an objective of offering the finest quality virgin Indian Remy Hair to the hair loving people across the world.

A multi dimensional company have wide experience of sourcing virgin Indian Remy hair directly from it's source 'the Indian Temples' where Hindu women save off their heads to honor the God on fulfillment of their wishes, the religious custom known as 'Tonsuring' and processing it to make them beautiful, soft and shining without the use of chemicals. A proven leader in the processing of the hair, adopting advanced technology to improve the quality to make it tangle free at the same time long lasting.

Univac have it's Registered / Corporate office at New Delhi, since 2001 and have factories and offices spread across the India at Kolkata, Hyderabad and Agra with full time Administrative and Technical support Staff. Our talented, experienced and skilled staff, shares a passion for professional excellence and sets high standard in offering services based upon client focus.

With our existing facility, skill and experience, we are manufacturing around 18,000 kilogram per Annum of best quality hair for the customers across the world. Our stringent quality check at sourcing as well as all the stages of the production have given us recognition as one of the best Indian Remy Hair supplier in the world. Given a chance, we are capable of successfully achieving a target production of 3000 kilogram per month without compromise in the quality. Exporting quality Indian Remy hair to USA, UK, Australia, Africa, Portugal, Netherland, Spain and Latino America. Univac Group is a registered member of Export Promotion Council for Handicrafts, Ministry of Commerce, Government of India.

Description

Flip-In Hair is the new revolution in hair extensions. It does not damage your hair in anyway, as it does not attach to your hair, it attaches around your head by a thin wire that is hidden by your hair. No clips, no glue, no Velcro, no weaving! It takes literally seconds to flip in and seconds to remove. It is made from 100% human hair and therefore can be treated like your own hair. You can use hairdryers, curling tongs, straightening irons. It is fine to use with thinning or damaged hair. Your Flip-in hair comes complete with a Free tail comb for flipping, an instruction leaflet, hanger and some spare wire. 12 Flip in Piece Weight: 60g. To wash Flip-In Hair, use warm water and gently smooth over with hair extension shampoo
